Michael Vasicek is a lifelong resident of the Great Lakes Bay Region, and the son of Michael and Janet (Olney) Vasicek. A graduate of Midland High School, he is presently a senior at Northwood University, studying for a Bachelors of Business Administration in Business Management. In the fall of 2011, Michael will begin the Masters of Business Administration program at Northwood University's Devos Graduate School.

Michael began his photography business in the fall of 2008 and continues to travel taking photographs to add to his collection. He works full-time at Wolverine Bank as an Operational Lead for the Deposit Staff, and is involved with different organizations such as the Midland Downtown Business Association, the Downtown Area Marketing Committee, Midland Young Professionals and Northwood's Marketing/Management group DECA. In January 2010, Michael joined the Midland Artists Guild.

"Photography has been a hobby for me for the last few years. I love taking pictures and sharing them with people. I want people to enjoy the photographs I take, so I try to keep prices low and to get involved with organizations such as the Artists Guild. The more opportunities I have to share my work with friends, family, co-workers and the community, the better." – Michael Vasicek
